Dear Friend,

On January 13th I filed as a candidate for the office of President of the Charles County Commissioners. After meeting with various community leaders and hearing from citizens, it was clear that today more than ever, new leadership is needed in the Commissioner's Office. The missteps that are occurring are well documented and my vision to **Redefine Leadership** in Charles County brings with it 20+ years of experience as a proven executive, administrator, business owner, public servant, community advocate and volunteer.

I will support issues that are vital to strengthening our communities such as a commitment to public safety, education and inclusion and access for all of our citizens. I will manage residential growth in Charles County, establish improved transportation systems, and focus on economic development. My vision will protect our environmental, rural and historical treasures. I will restore morale to our County employees and bring back a "no-frills" basic professionalism to our government.

Please join us for a lively celebration of St. Patrick's Day on Wednesday, March 17th at the American Legion Post 82, 6330 Crain Highway in La Plata at 6 PM. I am enclosing two tickets. Please return the ticket stubs with your contribution as quickly as possible because space is limited. If you would like additional tickets, please call the Elect Candice Quinn Kelly Campaign Headquarters at 301-645-2870, email Info@electcqk.com or visit our campaign headquarters at 305 Centennial Street, Suites B and D, La Plata, MD.

Do not hesitate to call or email me with questions, comments or concerns. If you have a gathering that you would like me to attend or simply want to meet with me personally, please call or email me directly at Candice@electcqk.com.

With your support, we can and will **Redefine Leadership** in Charles County. I look forward to seeing you on March 17th.

Beannacht Dé leat!

(God's Blessing with You!)
